Over the years, our student clinic has helped soothe the aches and pains of many clients. As part of the clinical training, our student massage therapist will aim to understand the issues that you August have and provide you with the most suitable treatments based on their skill set.

- All student clinics are “General Massage”.
- Student Clinic massages take place in an open classroom environment with up to 10 student practitioners massaging their clients in one room. Females and males sharing one classroom.
- Please note clients are not able to request between a female or male student massage therapist and/or request a specific style of massage as this will depend on the skill level of the student massage therapist.
- Time indicated for any massage treatment offered is inclusive of client case history taking, client changing for the treatment and having the treatment itself.
- Linen and mineral oil will be provided during the treatment. Clients are advised to refrain from bringing their own oil in the interest of others and avoiding any potential allergies.
- Standard student clinic massage treatments are available in 1-hour and 2-hour duration which includes case history taking.
- If you have any of the following conditions you MUST not be able to receive a massage at our student clinic: Colds & Flu, Fever, Infectious Diseases, Cancer, Pregnancy, Deep Vein Thrombosis / Embolism or after recent surgery. Written medical clearance MUST be required for various medical conditions prior to receiving a massage. This is not a complete list. If you have a medical condition and you are unsure about receiving a massage please check with a medical doctor.
- Student clinic is restricted to clients 16 years and above. Clients between 16 to 18 years old MUST be accompanied by a parent/guardian to the clinic and the parent/guardian must be present to give consent for the treatment case history and treatment strategy

1 hour student clinic massage is \$30.
